Cambridge Kid

THE FINAL CHAPTER

From the Class of 2024

As we graduated from picture books to novels, the senior class all reached for the "Diary of A Wimpy Kid" series. Coaches Capsule

After graduating half of the squad last year, the Cambridge Girls Golf team was left one short of a team score this season. Regardless, the girls completed a successful season and improved with every practice. Senior Emma Rasmussen placed at five meets. All three team members marked a personal best at some point in the season. They played through sun and rain, early mornings and long afternoons, excessive heat and chilling temperatures. Golf is a sport of mental toughness, and if there was one thing the girls learned during this season, it was how to stick with it when things got hard. Lessons like these will serve them well for the rest of their lives.

Mid-Meet Conference

Fair Weather Golfers

Bittersweet Moments

The Twenty-one Hole Meet
Emma played an extra three holes in a sudden death playoff at the DCS meet after tying for first place. After twenty-one holes, Emma placed 2nd.
