 MARIAN

Artist Statement: I created a poster for the Cinderella musical for my high school. I met with the director of the musical performances and got his vision for the poster. I then created three different options to present him and he chose this one. The colors were a big part of choosing this poster and the representation of Cinderella, the prince, and the fairy godmother. I used Canva images but it is my own design. I took great care in selecting the appropriate fonts and elements. The poster was displayed around the school and community before the show. It was also adapted to be on the ticket stubs and on the cover of the playbill.
