NSAA STATE CHAMPIONSHIPS

SOCCER

Friends,

On behalf of the great state of Nebraska, welcome to the Nebraska State Championship Games.

You are here because of your hard work, grit, and determination. This event is a chance for you to represent your community, display your love for the sport, and demonstrate your desire to compete. Sports are a reminder of what can happen when we apply ourselves to something we enjoy and embrace. As Coach Osborne taught me when I played for him, you can only get better or worse -- you never stay the same. Perfecting a sport is truly rewarding and provides many opportunities. Along the way, we develop supportive friendships, some of which last a lifetime.

I encourage all of you to accept the challenge in front of you. Do your very best and be a good competitor.

Congratulations to all students and schools participating in this year's event. Know that your friends, family, and fellow Nebraskans will be cheering you on

Sincerely,
Governor Jim Pillen

“High school activities, the other half of education!”

Congratulations to the student participants, their parents and guardians, and the schools they represent on qualifying for the NSAA State Championship activities. We welcome you and applaud your hard work and dedication. The time, the effort, and the commitment you have put into your activity has paid off and you should be very proud of this accomplishment.

The Nebraska School Activities Association is proud of the educational based activities that we provide to our schools for our students. Our mission is to promote the high ideals of citizenship, fair competition, sportsmanship, and teamwork in an effort to complement our member schools' curricular programs.

Perhaps cliché, but definitely true, today's students are tomorrow's leaders. Events like our Championships help to form these leaders by instilling values and leadership qualities while rounding out their educational experiences.

None of this would be possible without the incredible dedication and commitment of the many outstanding teachers, coaches, and administrators throughout Nebraska. These educators, together with strong support from parents and guardians, patrons, and fans like you, provide our children a solid foundation for their future success.

Once again, congratulations, and good luck!

Jay Bellar
NSAA Executive Director
