

# CHI HEALTH CENTER OMAHA

## TICKET POLICY

It is the policy of CHI-Omaha to require anyone entering the building to have a ticket regardless of age.

However, for the State Wrestling Tournament, the following exception is being made:

- Children one year old or younger will not be required to have a ticket. THIS PRESUMES THAT THE CHILD WILL BE SEATED IN THE LAP OF AN ADULT.
- Children older than one year will be required to have a ticket and will be given a reserved seat.
